EDUCATION

University of California, Berkeley Berkeley, CA

B.A. in Cognitive Science & Data Science (simultaneous degrees) — Expected Graduation: December 2026

- Relevant coursework: NLP (INFO 159), UI Design (CS 160), Data Science (100/140/102/C104), Linguistics (100, 110, 111)
- Transfer student from College of Marin and Moorpark College; background in audio engineering

RESEARCH & TEACHING

Research Apprentice, Computational Literary Studies (URAP) 2026–present

UC Berkeley — Prof. David Bamman's group, working with postdoc Svenja Guhr

- Studying suspense in British and American short fiction: annotating documents and compiling a corpus
- Researching how LLM annotations compare to human gold standards and follow theory-specific prompts

Narrative Generation Subfield Survey (INFO 159: NLP) 2026

- Wrote a survey of narrative generation research; co-developed a State Change Tracking project in Bamman's NLP course

Head Teaching Assistant, CS 195: Social Implications of Computing 2024

UC Berkeley — Prof. Lisa Yan

- Co-taught a Harkness-style honors discussion section on historical and current social issues in technology
- Researched and gave a guest lecture on Timnit Gebru's ouster from Google and "On the Dangers of Stochastic Parrots"
- Graded assignments, supported course development, and maintained the course's Jekyll website

PROJECTS

Grove: Collaborative Task Management App (CS 160) 2026

- Designed hi-fi Figma prototypes after needfinding interviews and usability testing
- Built with teammates in Flask, React/Vite, and Supabase; implemented the Tasks service layer and dark mode

Janss House: CAD Model (ARCH 124A) 2026

- Modeled a Case Study House in Rhino 8 and produced architectural drawings from the model

LEADERSHIP & ACTIVITIES

Transfer/Grad/Re-Entry Family Head, CHAOS Outdoor Club Fall 2024, Fall 2026

- Organize accessible outdoor events that build community for transfer, graduate, re-entry, and visiting students

Member, Berkeley Student Cooperative 2021–present

- Lead cook shifts for a group of 60 students

PRIOR EXPERIENCE

Service Technician & Manager, The Pool Patrol — Los Angeles, CA 2012–2016, 2018–2022

- Managed operations, client relations, and scheduling for my family's pool business; trained technicians

Recording Studio Intern, The Panda Studios — Fremont, CA 2016–2018

- Managed schedules and recording sessions and performed audio engineering tasks

SKILLS

Languages: Python, C++, HTML, CSS, JavaScript
Libraries & Frameworks: Pandas, NumPy, PyTorch, Scikit-Learn, TensorFlow, Flask, React
Tools: Git, Jekyll, Figma, Rhino 8, Pro Tools, Ableton, LM Studio
